

## ***Animal Movements***

In the story David moves like a lion, slowly on his padded feet. Pretend you are an animal. Describe how you move. Use lots of describing words to give the reader a 'feel' for what you are.

For example -

Samantha was a snake. She slithered on her belly across the lawn. Her tongue poked in and out of her mouth.

Finish these ones -

William was a horse. He

---

---

Dianne was a fish. She
