

Beware! Dangerous Animals

Imagine Tammy's uncle has dangerous pets from all over the world! Write a story pretending you are Tammy and your uncle has left one (or lots) of these animals for you to look after.

The animal could be a lion, crocodile or an elephant! What would you have to feed them? Where would you get the food? How would you stop the animals from escaping? It would be quite an adventure!

Animal (or animals) I'm looking after are:

Here's my story -
