

Dreams

At the end of chapter 11 of *Cross Currents* Jeff is unconscious. Imagine that Jeff is dreaming during this time. Use information you have gathered from the text to help you write a short story detailing Jeff's dream. What is he dreaming about? Who else is in the dream? Where is it happening?

Once you have written a short story about Jeff's dream do the same for Robert or Julia. Make sure you record what stage of the text Robert or Julia's dream is occurring.
