

Email

During chapter 18 of *Cross Currents* Julia and Robert communicate via email. Pretend you are Julia, Robert or Jeff sending an email to the pilot, Liam, who rescued them. Write your email in the space below. How do you feel about Liam? Have you got any news to tell him? What would've happened to you if Liam hadn't spotted you?

After you have written your email write another one, this time from Liam replying to your character. What does he have to say? What was his version of the rescue? What could he see from the air?
