

## *Never smile at a crocodile*

There's an old saying 'never smile at a crocodile.' You'll notice that smile and crocodile rhyme. You're going to use your imagination to write some more rhymes like -

Never shoo an emu

Never lie to a magpie

List as many animals as you can and then write rhymes for them.

Design a warning sign for one of your rhymes. The sign should warn people eg. No smiling at crocodiles! (with a picture)
