Sol describes his Mum's workroom on pages 23 and 24 -

Mum's a designer dressmaker and her room is full of long tables, filing cabinets, rolls of material, paper patterns, a supersonic sewing machine, a dressmaker's dummy called Beryl, and scissors that are sharp enough to cut a plastic sword in half.

Draw what you think the workroom would look like -

A large, empty rectangular box with a thin black border, intended for a student to draw their interpretation of the workroom described in the text above.

Imagine your bedroom. Write a detailed description of it like Sol's description of his mum's workroom.
