

SHIRL AND THE WOLLOMBY SHOW

The sheep knitted a very bright, snug looking quilt ... until the lambs got hold of it! In the square below, draw a picture related to *Shirl and the Wollomby Show*. You might like to draw a scene from the book, one of the characters or something that the book made you think of.

Once everyone in your class has made a colourful square, cut them all out and join them together to make your own quilt!
